

# ARLINGTON STREET COMMUNITY CENTER VOLUNTEER INTEREST FORM

ASCC is one of the initiatives developed after Nashua's acceptance of the MBK Community Challenge, which concludes that coordinated efforts can improve the life prospects and outcomes for all our young people. The center will bring educators, families, and community partners together to offer a wide range of opportunities, supports, and services to our children, as well as their families and the community.

By intervening at key moments in life, using evidence-based strategies and comprehensive approaches, we can remove barriers, expand opportunity, and improve outcomes for all. The center is a collaboration between Nashua providers, non-profit organizations, city services and the community.
